

Harewood Park

*Leek Road, Cheadle,
Staffordshire*

Harewood Park was established in 1986 as a care home with nursing. It is situated in its own grounds on the outskirts of Cheadle town but within easy walking distance of all facilities including shops, leisure centre, library and cafes and on a direct bus route to the Potteries.

Specialising in the delivery of rehabilitation and care, we support each individual resident to develop their skills and achieve their goals and aspirations during their recovery journey. Residents move on to supported living schemes, residential care or their own residence. Length of stay is based on need.

We have an open door policy and welcome visitors

Philosophy of Care

Harewood Park continues to offer holistic and personal centred care to meet individual needs, recognising diversity and human rights. Everyone has the right to equality, privacy, dignity, independence and fulfilment and to be supported to achieve as much for themselves within their disabilities. The aim is to enable choice and decision making and provide opportunities for social, recreational, educational activities within the community.

Rated 'Good' by CQC – December 2016.

Awarded 'Placement of the Year' 2018 (Private, Voluntary & Independent Sector) by Keele University for mentoring nursing students.

Catering

The team of qualified cooks is led by a Chef Manager and all food is cooked in our own kitchen which achieved a 5 star rating from Environmental Health. There is a choice of menu and special dietary needs catered for. We aim to promote healthy eating as part of lifestyle choices.

As part of the rehabilitation programme, residents cook for themselves and there are facilities for residents to prepare snacks and drinks.
